

Dear Colleague:

### **Membership in the Canadian Capital Cities Organization and Upcoming 2019 Conference**

The Canadian Capital Cities Organization (CCCO) is comprised of representatives from Canada's national, provincial and territorial capitals. The CCCO's mandate promotes the unique and symbolic significance of the capitals to reflect the pride, unity, history, democratic traditions, and aspirations of the people living in the provinces and territories of Canada.

The CCCO has existed since 1995 and each year has offered an annual conference as a networking opportunity for capital city members and interested allies and stakeholders. Our conferences bring individuals together so we can learn from one another, share information with colleagues, discuss topics of common and special interest to capital city elected decision-makers and community leaders, and take advantage of the unique programs, experiences and surroundings of the host capital city.

This year the CCCO's annual conference will be held in Regina, Saskatchewan, September 15 to 17. The conference theme is *Capital City Challenges: Trends and Opportunities*. This will be a full, exciting two-plus days, with presentations from each capital city, plus focused interactive sessions on *Capital City Policing* and *Modern and Heritage Infrastructure*, visits and tours of interest such as the RCMP Heritage Centre, Mosaic Stadium, Wascana Centre, and lunch with the Lieutenant Governor. More activities are still being added.

We invite you to become a member, or to renew your membership with the CCCO and plan to join us at this exciting conference!

You will find the membership form and information on next page.

Looking forward to your continued, and future, participation in the Canadian Capital Cities Organization.

Sincerely,

Marianne Alto, President  
Councillor, City of Victoria  
Alternate Director, Capital Regional District  
Vice-Chair, Te'mexw Treaty Advisory Committee
