

Dear Colleague:

Membership in the Canadian Capital Cities Organization and Upcoming 2020 Conference

The Canadian Capital Cities Organization (CCCO) is comprised of representatives from Canada's national, provincial and territorial capitals. The CCCO's mandate promotes the unique and symbolic significance of the capitals to reflect the pride, unity, history, democratic traditions, and aspirations of the people living in the provinces and territories of Canada.

The CCCO has existed since 1995 and each year has offered an annual conference as a networking opportunity for capital city members and interested allies and stakeholders. Our conferences bring individuals together so we can learn from one another, share information with colleagues, discuss topics of common and special interest to capital city elected decision-makers and community leaders, and take advantage of the unique programs, experiences and surroundings of the host capital city.

The 2020 Annual Conference and Annual Dinner will be held in Toronto, Ontario, June 3 and 4, preceding the Federation of Canadian Municipalities Conference and Trade Show.

The Executive Committee, in consultations with the members, is presently preparing a program of presentations from each capital city, plus focused interactive sessions, visits and tours of interest.

We invite you to become a member, or to renew your membership with the CCCO and plan to join us at this exciting conference!

You will find the membership form and information on next page.

Looking forward to your continued, and future, participation in the Canadian Capital Cities Organization.

Sincerely,

Marianne Alto, President
Councillor, City of Victoria
